

Public Open House Response Sheet

First Street Waterfront Neighborhood & Division Street Basin Neighborhood Borough of Keyport

Please fill in this sheet to express your opinions regarding your Neighborhood. Your responses will be used to help draft a Neighborhood Plan through the Post Sandy Planning Assistance Grant.

Which Neighborhood do you reside or work in?

First Street

Division Street

1. Existing Conditions

Please comment on any existing conditions you have observed that need improvement. This can include unsightly buildings or properties, areas needing improvement to reduce flooding or storm surge, inappropriate existing land uses, or any other significant conditions in your neighborhood.

2. Future Land Uses

Please list any land uses you feel are needed or missing from your neighborhood.

A. _____

B. _____

C. _____

D. _____

3. Challenges

Please describe any challenges your neighborhood faces with respect to development, vulnerability to flooding, or any other challenge.

4. Amenities & Character

Describe anything that is missing in your neighborhood you would like to see. Also feel free to discuss the character of your neighborhood and if you would like it to change or not.

5. Neighborhood Vision

Please describe your vision for the neighborhood over the next ten years.

6. Green Infrastructure

Please describe how you would like your neighborhood to be more green. Examples include solar panels, less pavement, or more open spaces.

7. Other Comments
