## Zika Awareness Training

As we prepare for the possible arrival of the Zika virus here in New Jersey, the Monmouth County Health Department has developed a brief (10-15 minute) Power Point presentation for local code, construction, and housing inspectors. Our goal is to reinforce the importance of mosquito control within our local jurisdictions and to provide contact information if problems are encountered.

- The first presentation is scheduled for: Monday, May 23, 2016.
- Time: 9:00-9:30 AM
- Location: Union Beach Municipal Building, 650 Poole Ave. Union Beach, NJ.

Please contact the Monmouth County Health Department at: 732-431-7456 x 8587, or email: [Jocelyn.Farley@co.monmouth.nj.us](mailto:Jocelyn.Farley@co.monmouth.nj.us) to schedule, or for additional information.

Additional sessions and locations to be announced
