Volunteer to Assist Victims of Domestic Violence

You can be the change you want to see in the world by joining 180's life-changing mission today. 180's Volunteer **Domestic Violence Response Team** (DVRT) Advocates are civilian members of the community who work collaboratively with law enforcement to **provide confidential support, information, and resources to victims of domestic violence at police headquarters**. Advocates also discuss with victims **safety planning** and their **legal rights** in regard to obtaining a Temporary Restraining Order. By providing support and crucial perspective of the situation, these specially-trained advocates help to empower victims to make informed decisions for themselves and their families. The identities of the DVRT volunteers are kept anonymous. Prior knowledge of domestic violence is not required. 180 and the police departments are committed to culturally and socially diverse teams to better serve the community. Bi-lingual capability is helpful. Deadline to apply is April 10th.
