

NJNG's upcoming Energy Assistance Days. These in-person events will be held (annually) throughout our service area to provide hands-on assistance to help customers with the application process for available grants to help pay their energy bills.

Customers behind on their energy bills may also be eligible for assistance, and can schedule payment arrangements to help bring their accounts current.

Representatives from NJNG's bilingual energy assistance team, as well as state-designated agencies will be on-hand to answer customers' questions and provide detailed information about the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Universal Service Fund (USF) and the New Jersey Fresh Start Program
- J. Board of Public Utilities Payment Assistance for Gas and Electric (NJBPU PAGE)
- New Jersey SHARES
- NJNG's Gift of Warmth

Assistance also will be available to help customers complete the Energy Assistance application.

To expedite this process, customers should bring:

- Social Security cards.
- Government-issued ID for applicant.
- Proof of income for all household members over the age of 18.
- Deed or rental lease.
- Recent natural gas and electricity bills.
- Income-eligible customers may also qualify for no-cost weatherization programs from New Jersey Comfort Partners or NJNG to help them save energy and lower their energy bills.

For more information, visit [njng.com/energyassistance](http://njng.com/energyassistance) or contact 800-221-0051 and say "Energy Assistance" at the prompt.
