CONSTRUCTION NOTICE

Please be advised that construction for the **Improvements to Second Street** project is under way. We will be installing sewer & water main on your street starting on or about:

This letter is to notify you that we will be working on the roadway in front of your residence installing water & sewer main. While work is in progress, please keep your vehicles off the roadway between the hours of 7:00AM to 4:30 PM. To not block you in, you may want to move your vehicles out of the work zone area. We shall do our best to complete this portion of the project as quickly as possible. Additionally, you may experience loss of water service for up to 4 hours. We apologize for the temporary inconvenience.

CME Associates is the engineering firm for the project and will oversee all of the daily inspections. If any questions, please call (732)-462-7400.

Thank you:
