Protection Required. No person shall park, stop or permit a roll-off container, dumpster or other container on any public sidewalk and/or in any public street if the site has a driveway or other similarly available space upon which to place said dumpster or container.

Any Person who wishes to park, stop or permit a roll-off container, dumpster or other container on any public street or sidewalk or on any private property, must obtain a permit therefore from the Zoning Office. The roll-off container, dumpster or other container must be removed from the site at the end of a 30 day period unless otherwise approved by the Zoning Office, in its sole discretion, and the payment of a new fee.

Signature of Applicant: _____
