

ote: There is a minimum fee of \$100.00 and a maximum fee of \$12,000.00

## COST OF CONSTRUCTION ONLY

\$ \_\_\_\_\_

Fees for all projects except WATER MAINS are to be based on cost of construction and calculated as follows:

That portion of the construction cost between

|                                    |        |
|------------------------------------|--------|
| \$0.00 to \$250,000.00 x 0.9%      | \$0.00 |
| \$250,001 to \$1,000,000.00 x 0.6% | \$0.00 |
| \$1,000,001 and above x 0.3%       | \$0.00 |
| TOTAL FROM ABOVE FORMULA           | \$0.00 |

ote: for projects that have components that require a fee based on Cost of Construction & Service Connections - Water Main Length  
e cost of construction of the water main should be deducted from the formula for that portion of the fee.

ote: there is a \$1,000.00 additional fee for each new source of water supply (new wells & surface sources).

replacement well is considered as a new source

|                      |       |        |
|----------------------|-------|--------|
| NO. OF NEW SOURCE(S) | _____ | \$0.00 |
| PLUS/OR              | _____ |        |

## Fees for Water Mains

a) Master Permit & Master Permit Renewals: Fee is based on Class of Water System

|                             |                         |            |
|-----------------------------|-------------------------|------------|
| Class 1                     | 25 to 999 People        | \$500.00   |
| Class 2                     | 1,000 to 9,999 People   | \$1,000.00 |
| Class 3                     | 10,000 to 49,999 People | \$2,500.00 |
| Class 4                     | 50,000 or more People   | \$5,000.00 |
| ENTER CLASS OF WATER SYSTEM | 1                       | \$500.00   |

## b) Fees for Water Mains Not Under a Master Permit

i) Standard Application - is to be used for any water main extension that is **3,000 feet** or more in length, or includes **50** or more service connections or includes an interconnection with another public community water system. For these projects, the fee shall be the greater amount based on the number of service connections or water main length in accordance with the following table:

| Service Connections             | Water Main Length (ft) | Fee        |
|---------------------------------|------------------------|------------|
| 1 50 to 100                     | 1,500 to 3,000         | \$1,000.00 |
| 2 101 to 250                    | 3,001 to 7,500         | \$2,500.00 |
| 3 251 to 500                    | 7,501 to 15,000        | \$4,000.00 |
| 4 501 or more                   | 15,001 or more         | \$5,000.00 |
| ENTER LINE NUMBER THAT APPLIES: | _____                  | \$0.00     |

Note: The fee to construct an interconnection with another Public Community Water System (PCWS) that is less than 1,500 feet in length is **\$250.00**

|                                      |   |        |
|--------------------------------------|---|--------|
| INTERCONNECT WITH ANOTHER PCWS (Y/N) | N | \$0.00 |
|--------------------------------------|---|--------|

|                                                          |   |        |
|----------------------------------------------------------|---|--------|
| 50 OR MORE REALTY IMPROVEMENTS ( NON-PUBLIC WELLS) (Y/N) | N | \$0.00 |
|----------------------------------------------------------|---|--------|

Permit application fees for projects that include construction of water main extensions with other components of a water system (e.g. new well, storage, pump station, treatment, etc.) for which the fee is based on construction cost are to be calculated separately. The sum of A and B above will be the review fee.

|                                                |          |
|------------------------------------------------|----------|
| TOTAL FEE SUBMITTED WITH PERMIT APPLICATION*** | \$500.00 |
|------------------------------------------------|----------|

\* IF TOTAL = \$0.00, AN ERROR HAS BEEN MADE. PLEASE REVISE FORM

This form is not required with Simplified Water Main Extension applications as they are a fixed \$250 fee.
