Dear Chairman Merla

Please see attached zoning appeal application for 171 Therese Street. The zoning officer approved a change of use without going to the Board. I have been told that this property is being sold and the closing date is the beginning of April.

I am requesting that this application be placed on the March 28th agenda so that it doesn't cause any hardship for the person purchasing the property if this approval is overturned by the Board.

Since this is an appeal of the zoning officer's decision, we do not have to notice the paper or the residents within 200 feet.

Thank you
