ESCROW AGREEMENT

THIS AGREEMENT (the "Agreement") is entered into this 29 day of October 20 24 by and between the KEYPORT UNIFIED PLANNING BOARD (the"Board") and Anthony J Laura Montalbano (the "Applicant").

1. PURPOSE. The Board authorizes its professional staff to review, inspect, report to the Board, and study all plans, documents, statements, improvements and provisions submitted by the Applicant to the Board or pursuant to relief granted to the Applicant by the Board. The Board is entitled to reimbursement from an Applicant for all reasonable costs/fees incurred by the Applicants in accordance with N.J.S.A 40:55D-8, and N.J.S.A 40:55D-53 et seq. of the New Jersey Municipal Land Use Law ("MLUL").

2. ESCROW ESTABLISHED. The Board, Borough and Applicant, in accordance with the provisions of this Agreement, hereby create an escrow deposit account to be established with the finance office of the Borough of Keyport.

3. ESCROW FUNDED. The Applicant, by execution of this Agreement, shall pay to the Borough to be deposited in the account referred to in paragraph 2 above.

4. INCREASE IN ESCROW AMOUNT DEPOSITED. If, during the existence of this escrow agreement, the funds deposited into said escrow account are insufficient to cover any voucher or bill submitted by the Board's professional staff, the applicant shall, within fourteen (14) days of receipt of a notice from the Board or the Borough that a deficiency in the escrow exists, provide such funding as required to fund the existing deficit as well as to pay for projected costs and fees associated with the ongoing professional reviews, inspections, etc., pursuant to applicable Borough ordinances governing the same, as well as the MLUL.

5. DISPUTES AND APPEALS. Should any disputes arise by and between the applicant and the Borough and/or the Board with respect to either the funding of, or payment from, the escrow account established herein, then the settlement of any and all disputes, including appeals from any decisions made by the Borough and/or the Board regarding such escrow account shall be made as called for by the applicable ordinance of the Borough of Keyport and the provisions of the MLUL.

6. COLLECTION OF DELINQUENT ESCROW BALANCES. Should the Applicant fail to adequately and on a timely basis fail to fund its escrow account so that the payment of necessary fees of the Board's professionals can be made in accordance with the law, then the Borough and/or Board shall be entitled to pursue all remedies available at either law of inequity, including but not limited to all amounts due, and simple interest at a rate of 18% per annum on all sums unpaid, beginning from 30 days after the applicant received notice of such deficiencies, if permitted by law. The Borough and/or Board shall be permitted to place a lien against any and

all properties within the Borough owned by the Applicant until such time as all sums due and owed have been paid. The Borough shall also have the right to withhold and/or suspend any building permits, the conduct of construction inspections, the issuance of certificates of occupancy, and other actions, unless and until all escrow deficiencies have been satisfied by the Applicant.

13. Mr. Hopkin further noted that the single family homes which were going to be built as part of the project would not be maintained by the developer. Instead they would be sold off to private owners after construction. It had yet to be determined whether the apartment buildings and the duplexes would be kept under the developers control or be sold off as condominiums. Those decisions would be market driven in the future.

14. Mr. Hopkin noted that the applicant would be supplying 135 parking spaces in conjunction with the project. This was more than the 128 spaces required by the Redevelopment Plan. Accordingly, all parking requirements had been satisfied. The majority of the parking spaces would be exclusive to the apartment complex and duplexes. The parking would be permitted by management. However, as a condition of approval, the applicant assured the Board that the seven (7) parking spaces located along Maple Place, between the proposed apartment buildings and Manchester Avenue, would remain as public parking spaces rather than being only available to the new development.

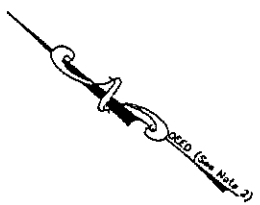

15. It was noted the parking spaces proposed by the applicant would be 9 feet x 18 feet which, while complying with RSIS requirements, require a design waiver since the zoning ordinance requires spaces of 9 feet x 20 feet. The Board Engineer had no objection to this request.

16. As a condition of approval, the applicant agreed to enter into an easement agreement with the Borough to maintain the new roadway improvements. This agreement would be subject to review and approval of the Board Attorney and the Board Engineer.

17. As to the development itself, Mr. Hopkins indicated that there would be two (2) gazebos and three (3) electric charging stations for vehicles to utilize. The applicant would also be providing 384 shrubs and 283 trees. Additionally, decorative lighting would be installed by the Henry Hudson Trail. This was all shown on the site plan. (Exhibit A-2) As an overall condition, the applicant agreed to work with the Board's Engineer and Planner in solidifying the landscaping plan for the site.

18. As improved aesthetics was vital to the project, the applicant also agreed, as a condition of approval that all of the utilities for the project would be located underground.

19. It was also agreed, for aesthetical purposes, that a three (3) foot fence, with appropriate plantings, rather than a six (6) foot fence, would be installed along the portion of any residential property facing Maple Place. Additionally, it was agreed that at the front corner of any new home, fencing would step down to three (3) feet until it reached the public right of way. As mentioned in Paragraph 4 of this Resolution above, the existence of a three (3) foot fence was contrary to the six (6) foot fence requirement contained within the Redevelopment Plan. Yet for the reasons stated in Paragraph 4, the Board felt such variance relief was appropriate for these areas.

Re: Zoning Application 2026-232
72 Manchester Avenue
Block 120, Lot 8.01
HP Zone
Borough of Keyport, Monmouth County

Our office has reviewed the zoning application for the proposed installation of a 6' privacy fence as shown on the submitted survey at the above referenced property. The proposed fence conflicts with the conditions of approval set forth in Keyport Unified Planning Board Resolution #21-03 and is therefore DENIED.

Paragraph 19 of the resolution provides that a 3' fence, with appropriate plantings, rather than a 6' fence, shall be installed along the portion of any residential property facing Maple Place. It further provides that fencing at the front corner of any new home shall step down to 3' until reaching the public-right-of-way.

The proposed 6' fence along Maple Place is inconsistent with this condition. To pursue the proposed change, the applicant must apply to the Keyport Unified Planning Board for an amendment to the prior approval before a zoning permit may be issued.

Should you have any questions or require additional information, please do not hesitate to contact our office.

Very Truly Yours,

Sofie Clark

Zoning Officer
