Supervisor's Report- Well, Fall is officially here! The leaves are changing, the mornings are getting cooler, and it's a beautiful time of year to get out and enjoy everything October has to offer. Of course, with Halloween around the corner, things may get a little spooky too!

A few dates to remember: Monday, October 12, the Center will be closed for Columbus Day, and Wednesday, October 21, is our Wind Creek Casino trip. I'm also starting to plan for another fun year at the Center. If you have a trip idea, please stop by the office and let me know. I'm always looking for suggestions from our members!

Fire Safety & Being Prepared-October is also a good time to talk about fire safety and emergency preparedness. We will continue to have our fire drills here at the Center so everyone knows what to do and where to go if an emergency occurs. Please take these drills seriously—they help keep all of us safe.

I also want to remind everyone about the Monmouth County Sheriff's Office E.V.A.C.S. program — Emergency Vulnerability and Assistance Coordination System. This program helps emergency responders identify and assist people who may need additional help during an emergency, disaster, or evacuation. EVACS information should be updated every year so responders have the most current information about you and the assistance you may need. If you have not completed an EVACS form, or if your information has changed, please stop by the Senior Center office. We can provide you with the forms and help you get started.

A little preparation today can make a big difference tomorrow.
Until next month, stay safe, stay healthy, and enjoy this beautiful—and slightly spooky—October!

Welcome to Fall! By Patti Mascolino

Fall is finally here! The mornings are getting cooler, the leaves are blowing by the windows, and everywhere we look, we see the beautiful colors of the season.

As we drive around town or take a walk, we see pumpkins, mums, and Halloween decorations everywhere. Here at the Center, we have added some fall decorations of our own. Our holiday tree in the hallway is decorated for the season, the mums on the back deck add some beautiful color, and all the little touches make the Center feel warm and welcoming.

Of course, October also means Halloween! We get to see all the wonderful costumes—witches, cats, scarecrows, ghosts, and who knows what else! It is always fun watching the children run from door to door shouting, “Trick or Treat!”

And speaking of Halloween, Chris and the ghosts have been busy planning something special here at the Center. Even I don't know what is brewing in that cauldron! But one thing I do know is that whatever Chris puts together, it is always a lot of fun.

So mark your calendar and come join us for our Halloween Party on Friday, October 30!

You never know what might be happening within these old walls!

Something Is Happening Within These Old Walls… They say old buildings have stories to tell.

Our building has been standing since **1907**. For more than a century, these walls have watched generations come and go. They have heard laughter, music, celebrations, friendships and memories that have lasted a lifetime.

But there is something about Halloween…

When the leaves begin to fall, the pumpkins come out and the days grow shorter, **something seems to happen within these old walls.**

This year on **Friday October 30**, we're turning back the clock and bringing the **1950s, 1960s and 1970s** back to life. The music will play, The memories will return, And the old halls may just come alive again.

Come dressed in your favorite retro style — poodle skirts, saddle shoes, bell bottoms, vintage shirts or anything that takes you back to the good old days.

We'll enjoy a Hot **Halloween lunch**, music, laughter, dancing, memories and plenty of fun.

But as the afternoon unfolds… **Keep your eyes open. Listen closely. And don't be surprised if something unexpected happens within these old walls.**

We can't tell you everything. Where would be the fun in that? All we can say is…

This Halloween, the past is coming back to life.

And in a building that has been standing since **1907**…**You never know what might happen when the music starts playing.**

Join us for a Halloween Lunch Party filled with **Music • Memories • Mystery • Fun • A Little Halloween Magic FRIDAY, OCTOBER 30 12:30PM!**
